BATURDAY EVENING, APRIL 6, 1901

SHOT AT BY GENERAL CLAY. General Cassius M. Clav, who has been brooding alone in his palatish home at Whitehall, Madison county, Ky., aroused from his lethargy yesterday and started on the warpath. An

attempt was made to serve a writ on the old man by Sheriff C.lyer, aided by Deputy Terrill.

The men met with a hot reception, the general standing in the doorway and firing shot after shot at the officers of the law who concealed themselves and it ing shot after shot at the concers of the law, who concealed themselves behind the large oak trees in the yard. Exasperated at length, they returned the fire, and it is thought that General Clay was struck, although it is impossible to learn, as no one can approach

General Clay lived alone, except for servants, for some time after he was deserted by his girl wife in 1895, but recently he sent for his daugnter-in law, Mrs. Mary B. Clay, to come and live with him. She has now been keep-

lug house for him for more than a year. General Clay some weeks ago instructed her to go and see the other members of the family and get them to members of the tally and year relicquieh all claim to his property. It was his evident wish to will it to his child wife, whom he still loves.

When Mrs. Clay returned her father and the relication of the relic

When Mrs. Clay returned her father met her at the door with a revolver in his hand. He had all the appearance of a maniac, and to soothe him she said: "Father, it is all right."

"You lie!' hesbrieked, and forced her from the door. She returned to Richmond and had a writ issued for her furniture, which was at Whitehall This she put into the hands of Sheriff Colyer, who attempted to serve it, but Colyer, who attempted to serve it, but was driven away.

General Clay had two men with him

in the house, who assisted in loading the weapons while he fired. They were Bud Litrell and Jim Bolin. Bolin were Bud Litreli and Jim Bolin. Bolin was driven from the house during the afternoon by Clay, as he feared he would prove traitor. He was captured by the sheriff and declares that Clay is crazy and that he and Litrell were afraid not to do his bidding.

No attempt will be made to serve the writ on Clay before Monday, as the sheriff thinks that by that time he may be in a more reasonable mood.

You will waste time if you try to cure in You will waste time if you try to cure in-digestion or dyspopsis by starving yourself. That only makes it worse when you do eat heartly. You always need plenty of good food properly digested Kodal Pyspepsia Cure is the result of years of scientific re-search for semething that would digest not only some elements of food but every kind. And it is the one remedy that will do it.

BY ELEVATING THE QUALITY of our coal we lower the price in economy of consumption. Consumers will find that it is cheaper to use our high grade Lee Coal, that has been screened and freed from slate and stone, than that of an inferior grade. It gives more heat, less ashes and burns longer than any other coal, and our prices are as low as any. Coal and Wood under cover.
